- Power Quality Solutions

## GROWING BUSINESS THROUGH CLEAN ENERGY SOLUTIONS

Munro Distributing Company Inc. is an innovative, forward-thinking purveyor of electrical, conservation, and renewable energy solutions. Headquartered in Massachusetts, Munro also has locations in Rhode Island, New York, New Jersey, and California.

For over six decades and three generations, Munro has leveraged its expertise, buying power, and value-add philosophy to deliver exceptional products and services to contractor, ESCO, and Utility patrons nationwide. We have provided energy efficiency solutions for thousands of projects, including some of the nation's largest LEED initiatives. Munro has also supplied over 500,000 square feet of residential, commercial, and municipal rooftops with solar arrays.
